**Coaches Corner:** You never know where your journey will take you – swimming & life. Who has heard of Hunter Armstrong? Going from training 2xwk to being fully committed. We can never pre-judge where a young athlete or person will go or end up, but how team trips and goals can help propel someone to another level. How teammates can help, hold each other accountable-it does not have to start out with wanting to be an Olympian but taking steps along with way, dealing with the ups and downs of any journey. How others can provide support. Enjoy these two short videos:
