**Audit Update:** The audit committee was able to get together to do a review of Sharks Swim Club's financial processes and procedures. We had full access to all of the accounting books since the board was created in 2017. We were very pleased to discover that all of the paper documents were thorough and extremely well organized thanks to Laura Shipman. We did spot check verifications on randomly chosen expenses and line items throughout the years, which all checked out. We also did an overlay comparison of accounts, revenue, and profit. We checked monthly totals against each other looking for outliers or anything that may be of concern. While the committee offered a few suggestions, overall, Sharks passed this audit with high ratings of approval. I recommend anyone who is interested in learning more about how Sharks is operating to volunteer to be on a future audit committee.
