CHALL - **Leighton Haver**

EXP ADV2 - **Lily Ainsworth**. Lily has the highest attendance in our group. She really has worked hard to improve all of her strokes. Even though she has an awesome backstroke, she has improved in her 100 back at every meet this season. She no longer gives her coach a heart attack with every backstroke turn. She finaled in 2 events at a very competitive 10&Under Age Group at Aggieland and was the 1st Alternate in 2 other events. She dropped in all of her 7 individual events (including drops in finals) and was on 2 relays that set new Team Standards for the 10&Under Girls. She is a group leader and a coach's dream. We all look forward to seeing her continuous improvement!
